Directions:

Objective: to complete one of the rows, columns, or diagonal with a total of 5 boxes

How: capture an image of yourself in front or near the item (or action) described in the box or do research needed on a given site

To learn about a new city: use the board as a scavenger hunt and try to find as many as you can.

For an urban studies course: Write a 400-500 word reflection on how sociology asks you "see" the city differently; connect your hunt with 2-3 readings from class.
